

WELCOME!

In the „Alm im Tal“ it is casual and it is cooked regionally. Tasteful and honest, not artificial, but tradition-conscious, because we are proud of our valley.

Of the crystal-clear water, the meadows, the wonderful agricultural products and the old farmers' recipes. The focus is on the people of Gastein and our friends for a time, our guests. Here people get to know each other, who otherwise might never have met.

In the „Herzerlstüberl“ up to 35 people can celebrate small parties.

We wish you cozy hours with us and we say goodbye us with a „Pfiat di“. This means as much as „keep you, goodbye“ and this is what we wish you and us from the bottom of our hearts.

Your family Klammer
and the staff
of the Gastein Alm

PS: Our team is happy to receive suggestions and is passionately host. If you are satisfied with the service and cuisine, they will be happy about your appreciation.

From cow to WOW!

Whoever tries the ice from „Eis Greissler“ for the first time, is astonished by its rich yet natural taste. Each flavour tastes like it's supposed to taste - you'll feel like you're eating actual (cold) strawberries, pears, apricots, ... It doesn't contain any artificial additives though! We believe that great taste comes from honesty and using high quality products.
